ARPA-H to Invest More Than $50 Million for UPGRADE Program

Committed to improving cyber resiliency across the healthcare system, the latest ARPA-H program, Universal Patching and Remediation for Autonomous Defense (UPGRADE), will focus on enabling proactive, scalable, and synchronized security updates. Read more about the **UPGRADE Program** and register for the **Virtual Proposers' Day**, on June 20 from 12-2 pm ET.

ARPA-H ACTR Program Moving Forward

Thank you for sharing your feedback in response to the Network Activation Call for the **Advancing Clinical Trial Readiness (ACTR)** initiative. Since the call closed in December of 2023, the ARPANET-H Customer Experience (CX) Hub and ARPA-H have been closely reviewing every submission. We are pleased to share the **Public Summary**, which highlights key themes and insights from the collective responses. Stay tuned for more updates and opportunities to engage with the ACTR initiative soon.

Q&A With the Scalable Solutions Office

This month's All-Hub meeting will feature**Dr. Jason Roos**, Director of the ARPA-H Scalable Solutions Mission Office. As a former senior leader in the Department of Health and Human Services (HHS) Administration for Strategic Preparedness and Response (ASPR) and Director of the HHS Coordination Operations and Response Element (H-CORE), Jason will share his knowledge and expertise on scalable solutions. Bring your questions and join us on June 13, 2024 at 1:30 pm ET.

Experience the CX Hub Excitement

Thank You for Joining Us
Over 130 spokes from both the ARPANET-H Hubs joined us on May 15, for the first information session hosted by ARPA-H Division Director, Amy Lin. Amy shared an overview of the ARPA-H mission and organization, what it means to be a spoke, and how to get more involved. If you missed us, **click here to watch the recording.**

BREATHE Matchmaking Webinars
On May 22 and May 29, ARPA-H Building Resilient Environments for Air and Total Health (BREATHE) Program Manager Jessica Green hosted two matchmaking webinars. These allowed potential proposers to present 3-minute lightning talks, helping potential proposers team up. To learn more about this program, visit the **BREATH program page.**

Spoke Connections
We want to hear your spoke-to-spoke engagement success stories! Have you made a connection with another spoke through a CX Hub supported event, opportunity, or channel? **Click here to share the details** of who you're working with and what successful outcome you've seen or expect to see, and we may feature your story in our newsletter, website, or on social media!
